Stéphane Degoutin

Artiste, écrivain et chercheur

Stéphane Degoutin, an artist, writer and scientist, teaches at the Énsad. His projects investigate humanity after humankind, the city after the public space, architecture after pleasure, war after dance and sexual pleasure and the non-place. His work has resulted in several exhibitions (Centre Pompidou, Gaîté Lyrique, etc.), books (Prisonniers volontaires du rêve américain...), films (War...) and installations.
