Emmanuel Munch

Urban planner

Dr. Emmanuel Munch is a professor-researcher at the Paris School of Urban Planning and the University of Paris-Est, and is part of the City Mobility Transport Laboratory. With a PhD in Urban Planning and Development from UPE (2017), his work relates to chrono-urbanism, the sociology of time and the socio-economics of transportation. His research focuses on the temporalities of urban mobility, daily activity programs, the synchronization of work schedules, the phenomenon of transportation rush hours and urban demand management policies more generally.
