Elsa Maury

plasticienne

Elsa Maury is a visual artist and visual arts researcher. She is a graduate of the Experimentation in arts and politics master's programme (Sciences Po – Paris). Her work notably focuses on the similarities and differences that exist between art and ethnography in narrative approaches.

Projects with the Forum

Narrative game - In 2061, what do young people prefer: physical mobility or virtual mobility?

Elsa Maury, Norbert Truxa, Nicolas Prignot, Pauline Lefebvre
