Laurent Camus

Sociologue

Laurent Camus is a social scientist, a postdoctoral researcher at Télécom ParisTech (SES) and an associate member of the CEMS (IMM, EHESS). His research focuses on new forms of sociability on location-based dating apps. He recently presented a thesis on the media coverage of live sports events (Télécom ParisTech – EHESS), using a video-ethnography approach to studying audiovisual productions.

Projects with the Forum

Sex, Love and Geolocation : a sociological study of Tinder

Christian Licoppe, Laurent Camus, Clémence Rouballay, Anne-Laure Dalstein
