Aniss Mouad Mezoued

Urbaniste

Aniss M. Mezoued is an urban architect. With a PhD in architecture and urban planning from the Catholic University of Louvain (UCL), he is a graduate of the École polytechnique d'architecture et d'urbanisme d'Alger (Algiers, 2007) and also has a master's in Urban Planning and Development from the UCL (2009). He is a coordinator at the Brussels Center Observatory (BSI-BCO). He is also a consultant for the Mobile Lives Forum. His areas of research focus on the relationship between urban planning and mobility, urban forms, public spaces and the interplay between actors who produce the territory.
